

Forum – Should we keep the Vancouver Park Board?

June 2 @ 12:30 pm - 1:30 pm

Hybrid Event – in person and online

Vancouver Unitarians. 949 W 49th Ave. at Oak St.

The Vancouver Unitarians will host a one hour forum, with questions welcomed, on the future of the Vancouver Park Board with Parks chair [Brennan Bastyovanszky](#), at the Vancouver Unitarians Sanctuary. The event will be also be live-streamed on YouTube.

Last December, Mayor Sim announced his plan to dissolve the elected Vancouver Parks Board, and a council majority endorsed it – with no public vote on the issue. Premier David Eby (whose B.C. government must approve the change) said he agreed in principle, but would wait for the results of the Oct. 19 provincial election before deciding.

The forum will discuss if we need the elected Park Board. What are the pros and cons of this move? Should it go to a public vote first? You can send your questions for Brennan to forum organizer Stanley Tromp at stromp@telus.net
